

Green Hospital Uniform First Gift of Healthy Career

Hospital Uniform is commonly designed to dress smart and take pride of the appearance. Wearing Uniform says, we all are together. Uniform also creates a sense of belonging with the Hospital and a unique identity in the community.

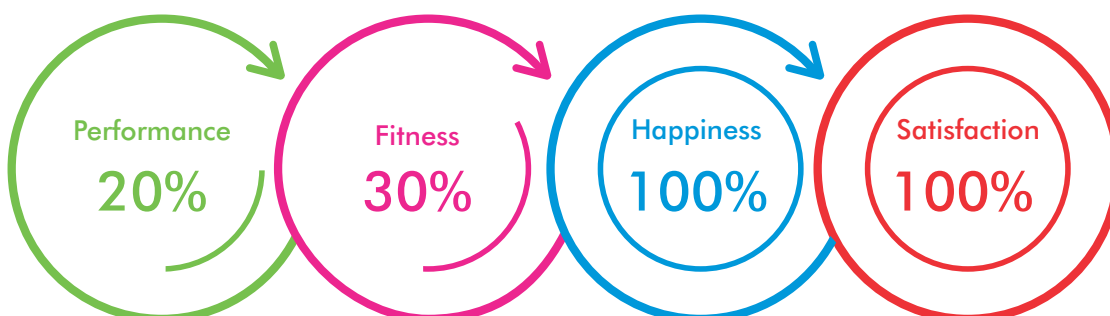

Hospital staff doesn't feel comfort by wearing toxic Uniform, made from polyester, Viscose, acrylic or poly cotton mix. Their discomfort can be noticed in the negative impact on their performance.

Every staff of Hospital wishes to have the choice of uniforms made from ethically procured eco-friendly fabrics which have no malicious chemicals, that makes them to feel safe, comfortable, and allergy-free during their working hours.

Green Uniform have many benefits i.e. Zero Carbon Clothing experience, Enhances performance, Toxic Chemical Free, Less Skin Infection, Sweat Absorbent, Reduces irritation, Reduces Stress and Distraction, Enhances Self-esteem, Increases Sense of Belongingness, Makes Smart Appearance, Improves Attendance, Increases Happiness, Keeps Staff members Healthy.
